DECLARATION OF CHRIS GYLING

Sir:

I, Chris Gylling, do hereby declare as follows:

1. I am a docketing clerk assigned to the docketing department of Seed & Berry, Seattle, Washington.
2. Upon the request of Mr. McMasters, I ran a docketing report for all matters relating to Hightech Receptor AB, including all matters which have been due or received from the Patent Office with respect to Application No. 08/325,278. The result of this docketing report is attached hereto as Exhibit I.

3. We show no receipt of any Sequence Listing Letter from the Patent Office with respect to the above-identified matter.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of any patent issuing from this patent application.
